STUDENT CENTER

109 WEST MELROSE AVE.

BALTIMORE, MD 21210

FUNDRAISER

Join us for the 5th Annual 'Hope for toMORROW' Fundraiser on March 7th, 2020 at the Bryn Mawr School in Baltimore. Over the last four years, the friends, family, and community members of Anna Morrow, have gathered together to raise more than \$400,000 for continued research for Friedreich's Ataxia (FA).

When diagnosed four years ago at the age of 9, the Morrow family learned that Friedreich's Ataxia (FA) is a rare debilitating, life-shortening, degenerative neuromuscular disorder. Symptoms usually appear between the ages of 5 and 15 years old and include a loss of coordination (ataxia) in arms and legs, energy deprivation, muscle loss, slurred speech, vision impairment, hearing loss, aggressive scoliosis (curvature of spine), serious heart conditions, and diabetes. FA affects 1 in 50,000 and is considered a terminal disease.

There are currently no treatments or cure.

However the Friedreich's Ataxia Research Alliance (FARA) leads the charge in their unwavering dedication to fund research and clinical drug trials, that will ultimately improve and save the lives of men, women and children suffering from Friedreich's Ataxia. FARA is a national, public, 501(c)(3), non-profit, tax-exempt organization dedicated to the pursuit of scientific research leading to treatments and a cure for Friedreich's Ataxia. FARA raises funds for research, promoting public awareness, and aligning scientists, patients, clinicians, government agencies, pharmaceutical companies and other organizations dedicated to curing FA and related diseases, through ticket sales, donations and sponsorships. **FARA Tax ID #: 52-2122720**

To succeed in helping to fund research for treatments and an eventual CURE, we need **your** help.

While FARA has made great strides in research and clinical trials for this life-altering disorder, the journey is far from complete and the need is greater than ever.

So let's come together as a community to support those living with Friedreich's Ataxia, while letting others know the remarkable life-changing progress that FARA is making to CURE FA.

We invite you to attend this empowering event on March 7th, and to consider the act of sponsorship, a contribution to our silent auction, or donate directly to FARA through our website:

www.hopefortoMORROWcureFA.com

Thank you very much for considering this request and for embracing our mission to raise awareness and further promote the achievements of FARA.

TOGETHER WE WILL CURE FA!

With gratitude and appreciation,

Kristin and Ben Morrow
